Greetings,

After reviewing the Interim Progress Program Report (IPR) submitted by the University of Detroit Mercy School of Architecture, the National Architectural Accrediting Board (NAAB) has concluded that the program has demonstrated satisfactory progress toward addressing deficiencies identified in the most recent Visiting Team Report. No further information is required until the 5-year IPR, which will be due in fall 2019. Statistical Reports are still due annually.

If you have any questions regarding this matter, please contact the NAAB office.

Very truly yours,
